Security
Gates

FENCE SOLUTIONS IN ORNAMENTAL • CHAIN LINK • WOOD • PVC • ACCESS CONTROL • TEMPORARY WWW.MERCHANTSMETALS.COM 866-888-5611

Safety is of the utmost importance in today's world and the security measures available to schools and other institutions have taken on a greater sense of urgency and priority.

Merchants Metals Tuf-Guard™ pre-hung security gates are engineered to meet the high quality material and construction standards necessary to meet your perimeter security requirements. Our reputation for quality has been built over the last 50 years and our pre-hung security gates are reliable members of our family of products.

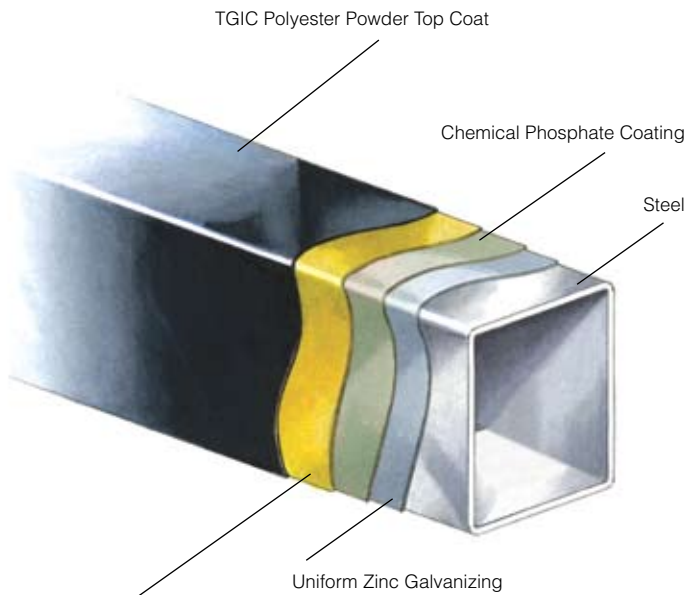

Tuf-Guard™ Pre-Hung Security Gates

- Available in Chain Link and Ornamental, Single or Double
- Galvanized Steel Components
- Wide variety of opening sizes and heights
- Panic Bar Exiting Device for safe and easy emergency exit
- Gates are shipped completely assembled from the factory
- Controlled Entry

Tuf-Guard™ gates can be secured with keyed mortise locks or electric locks controlled from inside building.

TUF-GUARD™ ORNAMENTAL STEEL PRE-HUNG SECURITY GATE

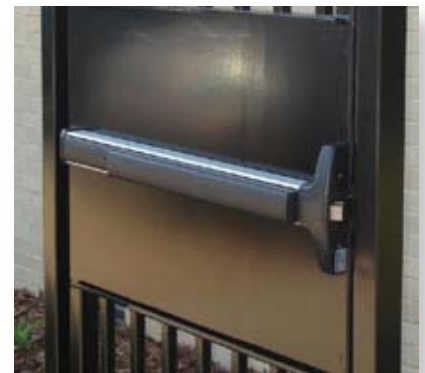

Corrosion Resistant Epoxy Powder Primer

Maintenance-Free Coating

Tuf-Guard™ gates are coated using a 10-step TGIC polyester powder coat finish. This revolutionary process ensures years of maintenance-free performance.

Our gates are equipped with a panic exiting device which provides a safe and easy exit in the case of an emergency.

PANIC BAR EXITING DEVICE

APPLICATIONS

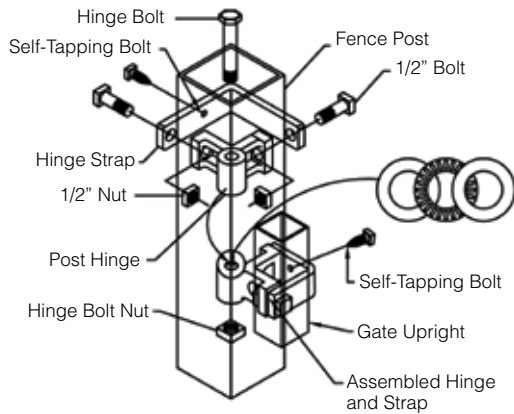

- Educational Campuses
- Medical Institutions
- Airports
- Storage Facilities
- Parking Areas
